Performance Scenario

This document is not marketing material. You are advised to read it so you can make an informed decision about whether to invest.

Product: Altinum Fund – Altinum Class A **ISIN:** MT7000010823

The scenarios shown illustrate how your investment could perform. You can compare them with the scenarios of other products.

The scenarios presented are an estimate of future performance based on evidence from the past on how the value of this investment varies and are not an exact indicator. What you get will vary depending on how the market performs and how long you keep the investment/product.

Market developments in the future cannot be accurately predicted. The scenarios shown are only an indication of some of the possible outcomes based on recent returns. Actual returns could be lower.
